Admission to M. Tech (R) and M. Tech (Sponsored) programme, August 2022:
Selection Procedure:

Factors considered for selection: The selection of the scholars is based on all the following components considered at different stages as indicated in the *Procedure of Selection*:

1. Application in the prescribed format with all necessary data and submission of further information/ data sought by the department at the time of registration and interview.
2. Performance at the Undergraduate level (considering the present status of applicants CGPA).
3. GATE Score.
4. Performance in the written test.
5. Performance in the interview.
6. Experience and publications to be assessed during the interview.

Procedure of Selection (at the department level): The selection will involve the following stages:

Stage-1: All eligible candidates will be allowed to compete in the written test which is of multiple-choice type questions, with only one correct answer and with negative marking.

Stage-2: A merit list of candidates will be formed by considering the performance at the UG, GATE Score and the written test. The weightages for different components are as follows:

UG performance (1 st to 7 th semesters)	GATE Score	Written test	Total
15 %	70 %	15 %	100%

However, the name(s) of the non-scholarship M.Tech (R/Spons) candidates (full-time/part-time sponsored) may be included in this list from **Stage-2**, case-by-case basis.

Stage-4: The final short-listed candidates in **Stage-3**, will be interviewed by the Departmental Post Graduate Committee (DPGC). Based on the performance of candidates in the interview, the DPGC will prepare a list of candidates recommended for admission to M. Tech (R/Spons). This list will be submitted to the Dean Academic for approval. This may be a NULL list in case no candidate is found suitable.

Procedure of short-listing of candidates for Interview (Institute Scholarship) after Stage-2:

Step-1: If the department has N number of seats in the Open Category (OC), then the cut-off mark (M1) for OC will be the mark of (3N)th candidate in the merit order formed in Stage-2. This list (L1) may be represented by the candidates from all categories (OC, OBC, SC, ST and PWD).

Step-2: The cut-off mark (M2) for OBC candidates is fixed at 90% of the Cut-off mark (M1) for OC. This list is L2 and contains all OBC candidates having score between and including M1 and M2 but limited by 2 times the number of seats available in OBC category.

Step-3: The cut-off mark (M3) for SC candidates is fixed at 75% of the Cut-off mark (M1) for OC. This list is L3 and contains all SC candidates having score between and including M1 and M3 but limited by 2 times the number of seats available in SC category.
