Admission to PG Programmes

Admission to M.Tech programmes

CCMT (Centralized Counselling for M.Tech/M/Arch/M/Plan admisisons) is a common platform for candidates to apply for M.Tech./ M.Arch./ M.Plan./M.Des. programmes, based on their GATE score, in all NITs, IIEST Shibpur, and some IIITs & GFTIs.

NITK Surathkal admits students through CCMT for all the M.Tech programmes. For all guidelines, the prospective candidates are advised to carefully read the information brochure and various other documents which will be available in CCMT website. CCMT-2022 is being organized by Malaviya National Institute of Technology, Jaipur.

These students will receive GATE-Scholarship for the duration of four semesters, which is subjected to the GATE-Scholarship rules of MHRD.

Admission to a M.Tech. Programme is open to candidates who have passed the prescribed qualifying examination, with a Cumulative Grade Point Average (CGPA) of at least 6.5 in the 0-10 scale grading system, OR not less than 60% marks in the aggregate (taking into account the marks scored in all the subjects of all the public/university examinations conducted during the entire prescribed period for the degree programme). However, this prescribed minimum shall be a CGPA of 6.0 OR 55% marks in the aggregate for SC/ST/PWD candidates.

The qualifying degree eligibility details for various programmes will be available in CCMT website.

A limited number of seats are available to sponsored student from Industry or other Organizations including Educational Institutions under sponsored category for Full time M.Tech programmes. These students shall be sponsored and financed by the sponsoring organization. He/she should produce a sponsorship-cum-clearance certificate in the given format of the Institute. The candidate must have a minimum of 2 years of Full-time work experience in the sponsoring organization, after completing the qualifying degree.

Admission to M.Sc programme

CCMN (Centralized Counselling for M.Sc., MSc.(Tech) admissions) is a common platform for candidates to apply for M.Sc./ M.Sc. (Tech.) programmes in NITs and other CFTIs, based on their JAM score.

NITK Surathkal admits students through CCMN for M.Sc (Physics) and M.Sc. (Chemistry). Admission to M.Sc programme in Chemistry/Physics at NITK is open to Indian nationals who have passed B.Sc degree with Chemistry as one of the subjects for M.Sc. Chemistry and Physics as one of the subject for M.Sc. Physics, with a Cumulative Grade Point Average (CGPA) of at least 6.5 in the 0-10 scale grading system, OR not less than 60% marks in the aggregate (taking into account the marks scored in all the subjects of all the public/University examinations conducted during the entire prescribed period for the degree programme). However, this prescribed minimum shall be a CGPA of 6.0 OR 55% marks in the aggregate for SC/ST/PwD candidates.

For all guidelines, the prospective candidates are advised to carefully read the information brochure and various other documents which will be available in CCMN website. CCMN-2022 is being organized by Malaviya National Institute of Technology, Jaipur.

Admission to M.Tech (Res) Programme

M.Tech (Research) programmes are offered in all the specializations available under M Tech. The admission process to M.Tech (Res) Programmes will begin in the Month of April every year with the publication of notification.

Admission to a M.Tech (Research) Programme shall be open to Indian nationals who have passed the prescribed qualifying examination with a Cumulative Grade Point Average (CGPA) of at least 6.5 in the 0-10 scale grading system, OR not less than 60% marks in the aggregate (taking into account the marks scored in all the subjects of all the public/University examinations conducted during the entire prescribed period for the degree programme). However, this prescribed minimum shall be a CGPA of 6.0 OR 55% marks in the aggregate for SC/ST/PwD candidates.

Valid GATE score is essential for scholarship seats.

Student Status: There are four types of student status in the M.Tech (Research) Degree Programme.

a) Full time student on GATE scholarship.

b) Full time student sponsored from Industry or other organization

c) External Registrants – Student Sponsored from Industry or other Organizations.

d) Internal Registrants - sponsored institute or project staff of NITK

Student of the type (a) will receive GATE scholarship for the duration of four semesters, which is subjected to GATE scholarship rules of MHRD. Student of the type (b & c) shall be sponsored and financed by the sponsoring organization. They are not entitled for Institute scholarship. He/she must have minimum of 2 years of full-time work experience in the sponsoring organization, after completing the qualifying examination. External Registrants are expected to carry-out their research work in their parent organization after fulfilling certain prerequisites in the Institute. External registrants may have an additional Research Guide from the sponsoring organization. In case of external registrants, residential requirement may be waived and they may be permitted to complete their course work by opting for (pre-approved by DPGC) certified courses. An internal student of type (d) shall produce a sponsorship-cum-clearance certificate from the Director, NITK.

The prospective candidates may please keep visiting www.nitk.ac.in for the Notification.
