Notification

M.Tech(Research)/M.Tech(Sponsored)/Ph.D Admissions 2022-23

....

The candidates who have been selected for M.Tech.(Res) /M.Tech (Sponsored)/ Ph.D. programmes of NITK Surathkal are required to pay the applicable fee, upload the documents and complete the admission procedure online through IRIS portal on or before **8th July 2022**. The provisional admission orders will be issued to them online after verification of fee payment and online document verification.

Further, all these candidates who have been issued with provisional admission orders are required to **physically report at NITK during 11-14 August 2022/ 16th August 2022** to complete physical document verification and admission formalities. The Hostel fee payment and allotment will also be done during this period. The details about these procedures and the venue will be notified later.

The academic session and the classes for the I semester would commence from 18th August 2022.

The academic calendar for First semester PG/Ph.D will be announced in the Institute website soon.
