

NATIONAL INSTITUTE OF TECHNOLOGY KARNATAKA
SURATHKAL, NH-66, PO SRINIVASNAGAR
MANGALURU – 575025, D.K., KARNATAKA, INDIA

DEPARTMENT OF CIVIL ENGINEERING

Funded Internship Opportunities

Applications are invited from eligible candidates for Summer Internship Program Under the SERB-sponsored Scientific Social Responsibility (SSR) as part of an ongoing Research Project entitled “**Interaction of various environmental factors on the fracturing behavior and damage mechanism in rocks**” at the Department of Civil Engineering, National Institute of Technology Karnataka, Surathkal.

The details of the position are as follows:

No. of Positions	:	Two		
Eligibility	:	<table border="1"><tr><td>Students who have completed at least 4 to 6 semesters in B.E. / B.Tech (Civil Engineering) from a University / Institution within India with a CGPA of above 7.0 or 70% of marks in preceding semesters</td></tr><tr><td>Students who have completed at least two semesters in M.Sc. (Applied Geology/Geology/Earth Sciences) from a University / Institution within India with a CGPA of above 7.0 or 70% of marks in preceding semesters</td></tr></table>	Students who have completed at least 4 to 6 semesters in B.E. / B.Tech (Civil Engineering) from a University / Institution within India with a CGPA of above 7.0 or 70% of marks in preceding semesters	Students who have completed at least two semesters in M.Sc. (Applied Geology/Geology/Earth Sciences) from a University / Institution within India with a CGPA of above 7.0 or 70% of marks in preceding semesters
Students who have completed at least 4 to 6 semesters in B.E. / B.Tech (Civil Engineering) from a University / Institution within India with a CGPA of above 7.0 or 70% of marks in preceding semesters				
Students who have completed at least two semesters in M.Sc. (Applied Geology/Geology/Earth Sciences) from a University / Institution within India with a CGPA of above 7.0 or 70% of marks in preceding semesters				
Research Topic	:	Rock Mechanics and Engineering Geology ❖ You will have a chance to get hands-on experience in deformation and understand fracture damage in rocks and its significance in various geo-engineering projects		
Requirements	:	A cover letter along with the NOC / Recommendation Letter from the Head of the Department on official letterhead and Marksheets of Previous Semesters		
Mode of Internship	:	Offline		
Duration	:	One month		
Stipend	:	Rs. 5000/- (On successful completion of Internship)		
Last date of Application	:	15.05.2023		
Declaration of Result	:	20.05.2023		
Period of Internship	:	01.06.2023 to 30.06.2023		
Mode of Selection	:	The selection would be made purely on a merit basis. The decision of the selection committee would be final in this regard.		
Mode of Application	:	❖ Submission through Google Form (https://forms.gle/2VsU7JChaF4pPaMw6) ❖ The hard copy of the Application should be submitted through post along with the relevant copies of certificates		
Details for Contact and Postage of Documents	:	Dr. Vinoth Srinivasan Assistant Professor Department of Civil Engineering, NITK Surathkal. e-mail: svinoth@nitk.edu.in
